Dear Mr. Stole:

RE: E&E Superfund 103(c) Site Inspection
Best Foods, 2816 S. Kilbourn Avenue, Chicago, IL

On February 9, 1984 Messrs. Cozza and Sewall of Ecology and Environment, Inc. visited our Best Foods plant located in Chicago for an inspection pursuant to our Superfund 103(c) "Hazardous Waste Site Notification."

The purpose of this letter is to ask that you send me a copy of E&E's completed "Site Inspection Report" when it becomes available. I would at the same time like to have a copy of the final score established for the site as well as a copy of your "Hazard Ranking System" scoresheets and associated documentation.

Thanks very much for your attention to this request. Should you have any questions, please call me at (201) 894-2433.

Sincerely.
